QUICK AND SIMPLE WAGERING

Thanks to Oaklawn's Amtote 300 System, wagering is easy, organized and convenient. Just remember that ALL WINDOWS CAN BE USED FOR BUYING TICKETS AS WELL AS FOR CASHING THEM. Up to four separate wagers can be made on the same ticket.

1. State the AMOUNT of the wager.

2. State the TYPE OF WAGER — Win, Place, Show, Daily Double, Exacta, or Classix. (Daily Double, Exacta, and Classix wagers are recorded on separate tickets.)

3. State the NUMBER of the horse.
Example: "\$5 to WIN on NUMBER 6."

Cashing is even easier. Just submit your winning mutuel ticket for payment. The Amtote terminal instantly computes and displays your winnings.

TYPES OF BETS

WIN: When you bet a horse to win, you win if your horse finishes first.

PLACE: You win if your horse finishes first or second.

SHOW: You win if your horse finishes first, second or third.

EXACTA: To win in Exacta wagering, you must pick the two horses finishing first and second in exact order.

DAILY DOUBLE: To win a Daily Double bet, you must pick the winners in the first and second races. Wagers must be placed before the running of the first race.

CLASSIX: The object of Classix wagering is to pick six winners in the designated six races. The Classix pool accumulates during the racing meet and some lucky winner could win thousands.

PARI-MUTUEL — Oaklawn acts as an agent for wagering, for which it receives a percentage of the wagering pool according to Arkansas law. Oaklawn has no interest in which horses win or lose. Patrons do not wager against the track; they wager against each other.

A department Supervisor is located in each wagering area to serve the public in the event of a complaint.

To help us serve you better, please refrain from cashing mutuel tickets within five minutes to post. Do not throw away mutuel tickets until results are made official.

Complete pari-mutuel wagering rules are available in the Mutuel Offices. Please check to see that you have received the correct ticket or correct payoff before leaving the mutuel windows. Upon leaving the mutuel window after a transaction, no person shall be entitled to a claim for incorrect ticket or payment. No claim will be considered for tickets thrown away, destroyed, altered, torn or mutilated in any way.

The odds and payoff prices are determined by patrons as expressed by the sums they wager on the various entries. The odds displayed on the Tote Board are win pool odds. All calculations and prices paid are audited and certified correct by the State of Arkansas.

STEWARDS — In all races, the decision of the Stewards is final. The decision of the Stewards shall govern and be final in any matter of refunds not specifically covered by the rules.

WITHHOLDING TAX — I.R.S. requires all pari-mutuel operators to report all winnings of \$600 or more, if such winnings are at least 300 times the amount of the single wager. Federal income tax of 20% and Arkansas income tax of 7% must be withheld if the payoff is more than \$1000 (if at least 300 times the amount of the single wager) after the amount of the wager has been subtracted. Additionally, I.R.S. section 3402(G) now requires pari-mutuel operators to combine separate identical wagers from a winning patron, if such winnings are at least 300 times the amount of the wager and withhold 20% Federal and 7% Arkansas income tax if this aggregate amount exceeds \$1000.

The person presenting the ticket(s) must fill out I.R.S. Form before presenting the ticket(s) to be cashed.

HIGHEST RACING STANDARDS

In 1942 Oaklawn and several other race tracks organized the Thoroughbred Racing Association, known as the TRA. All TRA member tracks operate under a self-imposed Code of Standards and maintain the Thoroughbred Racing Protective Bureau (TRPB) and a national investigative organization established in 1943.

Our membership in TRA and involvement in TRPB are our guarantees to our patrons that Oaklawn Jockey Club lives up to the highest standards of racing in America.

TASTES OF EXCITEMENT

All of the thrills of the opening weekend of racing at Oaklawn will continue this week, the first full five-day period of the 1988 meet.

While Sunday and Monday were dark the meat of the season continued on Tuesday and heads towards the exciting stakes action of this weekend as outstanding fillies and mares will go postward on Saturday in the \$50,000-added American Beauty Stakes. The six furlong dash should attract 1987 Dixie Belle winner, Foxy Bear, 1986 Prima Donna Stakes winner, Double Derby, and an array of other fine stakes level distaffers including Pelican Bay, Littlebitapleasure, Striding Easy, My Marisa and others.

Racing on the five-days-per-week schedule will continue until Monday, March 21, when the traditional six-days-a-week pace resumes. The only exception will occur on Monday, February 15, when Oaklawn celebrates the George Washington Birthday holiday with a ten-race card, first post time at 1:30 P.M. On that day many of the fillies that starred in the opening weekend Dixie Belle action will take another important step towards the Fantasy Stakes in the six furlong feature, the \$50,000-added Martha Washington Stakes.
